Note.

The undersigned call particular attention to the articles described in this Catalogue—objects far superior to those usually disposed of at auction. Mr. Richard Austin Robertson, a resident of Japan and China for the past nine years, contributes a collection of rarities of an exceptional standard and impossible to duplicate. M. Sichel, whose establishment, No. 11 Rue Pigalle, Paris, is familiar to all our connoisseurs, contributes principally the Antique Chinese Porcelains and solid color specimens, all of which are of exceedingly fine quality.

The specimens of Japanese Metal Work, including Magnificent Bronzes, Daimio Swords, and Cabinet Specimens, are remarkably fine and of marvelous workmanship. The superb lacquers are the perfection of Art, and like the Ivory Carvings, Japanese Ceramics, Rich Stuffs (Mandarin and Daimio Robes, etc.), Curios, etc., are of a quality sought by connoisseurs and collectors, and should command more than ordinary notice.

A large collection of Kake-monos (Japanese Hanging Scrolls) is included, among which are many examples, by Japan's Greatest Ancient and Modern Masters.

In fact the Sichel-Robertson Collection is an extraordinary one. Never before have we had the pleasure of offering to the public of Philadelphia so many desirable High Class Objects.

At the request of the owners, we have engaged Mr. Thos. E. Kirby of New York to conduct the sale.

Respectfully,

DAVIS & HARVEY.

CONDITIONS OF SALE.

1. The highest Bidder to be the Buyer, and if any disputes arise between two or more Bidders, the Lot so in dispute shall be immediately put up again and re-sold.

2. The Purchasers to give their names and addresses, and to pay down twenty-five per cent. on the dollar in part payment, or the whole of the Purchase-money, *if required*, in default of which the Lot or Lots so purchased to be immediately put up again and re-sold.

3. The Lots to be taken away at the Buyer's Expense and Risk at the conclusion of the Sale, and the remainder of the Purchase-money to be absolutely paid, or otherwise settled for to the satisfaction of the Vendors, on or before delivery: in default of which the Auctioneers will not hold themselves responsible, if the Lots be lost, stolen, damaged, or destroyed, but they will be left at the sole risk of the Purchaser.

4. The Sale of any Painting, Engraving, Print, piece of Furniture, Work of Art, or any other article, is not to be set aside on account of any error in the description. All articles are exposed for Public Exhibition one or more days, and are sold just as they are without recourse.

6. Failing to comply with the above conditions, the money deposited in part payment shall be forfeited.

DAVIS & HARVEY.

Notice.

It was our intention to have held this sale in February last, but owing to the non-arrival of goods, and being unable to get possession of the gallery of the Philadelphia Society of Artists at an earlier date, we have been compelled to make the sale at the present late season when many of our customers have left the city. We regret this fact, but under the circumstances cannot do otherwise than carry out the wishes of owners and make the sale at the present time.

According to instructions, the sale will be a positive one; every lot will be sold to the highest bidder.

DAVIS & HARVEY.
THOS. E. KIRBY.
